

Bayrak Grup was founded in 1917 in Sakarya, Turkey.

Our company, which produced timber in the first years of its establishment, later expanded its production range. Bayrak Grup, which included door production to timber production, established its first factory with 4.000 m² closed area. In parallel with the ongoing customer satisfaction each year, investment continued and modular furniture production started. Continued domestic market satisfaction opened the doors to exports and the highest rate of growth was realized. As a continuation of the growth, industrial products such as door yard and solid panels were added to the manufacturing range. In order to make more efficient and healthier production, Sakarya timber industry site has moved to 20.000 m² new factory area. Our valuable customers in our structure timber, solid panel, door yard, wooden H20 beam, kitchen cabinet, bathroom cabinet, bedroom furniture, children's room furniture, dressing room etc. living areas, cloakroom, door, fire proof door, hotel furniture, cafe-restaurant décor, hospital-health centers, projects, CNC and Islamic geometric decorative panel, etc. we provide services in wood works such as. All decoration and manufacturing works belong to our structure. We ask you to share with us the details about the product or product group (project, Measure, sample or project visual, material) you have requested in order to provide you with better service. We will be happy to work with you.

Kindest regards,
Neslihan Bayrak
